

Sedlbauer Declaration of Conformity REACH

according to EG Directive 1907/2006

Sedlbauer AG herewith declares that based on current state of knowledge all goods delivered are in accordance to the EG Directive 1907/2006 and all modifications having become effective so far.

In addition to that, we would like to inform you that we conducted communication and Due Diligence in our supply chain in order to ensure our commitments from the EG Directive REACH.

We can confirm that all ingredients in our products are pre-registered either by our suppliers or by their subcontractors. We see no interferences in the supply of our products as direct effect of REACH but we will inform you when the situation changes.

The Candidate List of SVHC is closely observed and our products will be checked without delay for newly added substances.

At present we can confirm that based on current state of knowledge none of the actual chemicals of SVHC intentions are part of our products or they are rather used in the permitted concentration less than 0,1 percent by mass.

Despite careful examination and surveillance, Sedlbauer AG assumes no guarantee or other liability for the information given in this document.

Furthermore excluded are parts supplied by the client / customer or parts determined by the client / customer. These parts have to be evaluated by the client / customer!
